DEDICATION

Dedicated to the memory of long-time publisher of the
Rutland Herald, Robert W. Mitchell (1910-1993),
whose assistance in obtaining the early issues
of the *Herald* was invaluable.

Introduction

The eighth compilation of news items from the *Rutland Herald* spans 1831-1835. We have done our best to try to locate all issues in this time period. This booklet consists of 96 pages of information and a 58 page index (which is our largest yet!). It contains many names, some of which were very difficult to read from the microfilm, and uses many different spellings.

These publications are weekly and the *Rutland Herald* didn't go daily until April 1861; this was due to the lengthy reports of hostilities in the South during the Civil War.

The reader should be informed that when reading the obituaries and marriages that "this town" is Rutland; inst. refers to the present month and ult. to the month prior. Consort is the spouse; relict is the widow. These notices not only included Rutland, but various other towns in Vermont and other states. Unfortunately the state is not always listed after each town where the event occurred. The original spelling has been kept throughout. It must be noted that these notices were handwritten and were deciphered by the newspaper staff. Thus misspellings do occur. It is often difficult to read the microfilm due to the age of the newspapers.

We would like to thank the *Rutland Herald* for its generosity in loaning their films to fill in missing issues. Please note that many Revolutionary War soldiers are passing from the stage. Many death notices relate their places of death, ages, war services, and pension statuses.

If Dawn's eyes hold out and Joann's computer maintains its functions, please look forward to future compilations. To order contact Joann H. Nichols, 110 Chestnut Street, Brattleboro, VT 05301-6579; 802/254-9554; e-mail jnichols@sover.net. The cost is \$30.00 which includes postage and handling.
